

Revolutionizing Provider Partnerships:

HealthSmart Network Solutions Wants You.

Join Our Network Today!

Experience the HealthSmart Difference: Faster Claims, Better Support, PPO Professionals

Joining a Preferred Provider Organization (PPO) network positions your practice as a preferred choice for health plan members. Providers gain access to a steady stream of patients, growing their practice while maintaining high standards of care. HealthSmart knows that providers are looking beyond the basics when they join a network.

Here's How We Deliver Value

Access to Members Nationwide

Our network solutions connect you with millions of plan participants seeking care across a wide spectrum of specialties and services. And we are growing year after year.

Fast, Accurate Claims Processing

With 97% auto-repricing and 99% of claims processed within one business day, we make sure you get paid accurately and quickly.

Ease and Transparency

From verifying member eligibility at the point of care to submitting claims, our streamlined processes minimize your administrative burden. We know the self-funded health plan space, so you don't have to.

Why Providers Join HealthSmart Networks

Our solutions simplify provider participation while empowering you to focus on delivering excellent care. Our robust network options align with health plans' goals, enhance outcomes, and support members across all stages of their healthcare journey.

- + No minimum commitment to contract for multiple products, unlike some competitor organizations
- + A dedicated provider relations team means you always have a specific support team rather than a general call center
- + Advanced and proactive analytics enable you to identify issues for performance improvement
- + Our provider portal enables you to research claim status 24 x 7 x 365 for fast, accurate claims process, and peace of mind
- + Increased visibility among plan members, leading to greater patient volume
- + Tapping into special non-carrier segments of the market with fair reimbursements that ensure financial longevity

Fast Claims, Flexible Contracts, Dedicated Support Welcome to HealthSmart Network Solutions!

HealthSmart Network Solutions owns and manages several provider networks and products. These include but are not limited to HealthSmart Preferred, Physician & Ancillary Network, National Ancillary Solution, HealthSmart Workers' Compensation and Health Payors Organization (or HPO). Our networks bring together nationwide healthcare coverage, credentialed providers, seamless administration, state-of-the-art healthcare management services, and a dedication to making a positive impact on our customers and the communities we serve. You choose which networks fit you.

Our clients include Third Party Administrators, health plans, unions, bill review companies and Taft-Hartley plans. We know these types of health plans, so you do not have to. You can count on HealthSmart to do that for you.
